General conditions

These conditions apply throughout your policy. For Identity theft, Home assistance and Family legal protection sections additional conditions apply.

You and your family must comply with them to have the full protection of your policy.

If you or your family do not comply with them we may take one or more of the following actions:

- cancel your policy
- declare your policy void (treating your policy as if it never existed)
- change the terms and/or premium of your policy
- refuse to deal with all or part of any relevant claim or reduce the amount of any relevant claim payment.

1 Providing accurate and complete information

When taking out, renewing or making changes to this policy, you or your agent (acting on your behalf) must take reasonable care to provide accurate and complete answers to all questions.

We may ask you to provide further information and/or documentation to ensure that the information you provided when taking out, making changes to or renewing your policy was accurate and complete.

2 Changes in your circumstances

You must tell us as soon as reasonably possible if your circumstances change or if any of the information shown in your proposal form, statement of fact or schedule changes during the period of insurance.

Examples of changes we must be made aware of are:

- change of address
- structural alterations to your home
- if you or your family intend to let or sublet your home
- if you or your family intend to use your home for any reason other than private residential purposes
- if your home will be unoccupied
- if your home is no longer occupied solely by you or your family
- if you or your family have been declared bankrupt or been subject to bankruptcy proceedings
- if you or your family have received a police caution for or been convicted of or charged with any offence other than driving offences.
General conditions continued

We will then tell you if there will be any change to your insurance premium and/or any change in the terms to your policy.

You must ensure that you provide accurate and complete information when asked questions about the changes in your circumstances.

3 Maximum limits

a The value of your contents.

You must notify us as soon as possible if the full replacement value of your contents exceeds the amount shown in your schedule.

If the amount shown on your schedule represents less than 100% of the full replacement value of your contents, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your contents shown on your schedule only represents 70% of the full replacement value then we will not pay more than 70% of your claim.

The full replacement value of your contents other than fine art antiques and collectables means the current cost as new. For fine art antiques and collectables the full replacement value means the cost you paid or current market value whichever is the greater.

If the full replacement value of your contents exceeds the amount shown in your schedule, the cover under the policy will no longer meet your needs.

b The value of your buildings.

You must notify us as soon as possible if the full rebuilding cost of your buildings exceeds the amount shown in your schedule.

If the amount shown on your schedule represents less than 100% of the full rebuilding cost of your buildings, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your buildings shown on your schedule only represents 70% of the full rebuilding cost then we will not pay more than 70% of your claim.

The full rebuilding cost of your buildings means the cost of rebuilding if the buildings were completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of your buildings exceeds the amount shown in your schedule the cover under the policy will no longer meet your needs.
4 Taking care of your property
You and your family must take and cause to be taken all reasonable precautions to avoid injury, loss or damage and take and cause to be taken all practicable steps to safeguard all the property insured from loss or damage.
You must maintain the property insured in good repair.

5 Dual insurance
If any injury, loss, damage or liability is covered by any other insurance then we will not pay more than our share.

6 Cancelling the policy

If we cancel your policy because you have acted in a fraudulent manner we may not return any premium paid by you for the policy.

Non-payment of premiums

We reserve the right to cancel this policy by providing 14 days prior written notice in the event of non-payment of the premium or default if you are paying by instalments.

Claims conditions

These conditions apply to Contents worldwide and Buildings sections. For Identity theft, Home assistance and Family legal protection separate conditions apply.

You and your family must comply with the following claims conditions to have the full protection of your policy.

If you or your family do not comply with them we may at our option cancel the policy or refuse to deal with your claim or reduce the amount of any claim we pay.

The first thing you must do

We recommend that you check your cover. This policy booklet contains details of what is covered and how we settle claims. Your schedule will show which sections are in force.

You should immediately:

- inform the police and obtain a crime or lost property reference number if property is lost or stolen or theft or malicious damage is suspected
- contact us by phone on the appropriate helpline. Helpline numbers are shown in your schedule, claims helpline card and the Helpful phone numbers page of your policy booklet
- take all reasonable steps to recover missing property
- take all reasonable steps to prevent further damage.

What you must do when making your claim

- Tell us and provide full details in writing immediately if someone is holding you or your family responsible for damage to their property or bodily injury to them. You must also immediately send us any writ summons, letter of claim or other document.
- If we ask, you must send us written details of your claim within 30 days.
- To help prove your claim we may require you to provide original purchase receipts, invoices, bank or credit card statements, instruction booklets, photographs, utility bills, pre-purchase surveys or plans and deeds of your property.
- To help assist in dealing with your claim we may require you to obtain estimates for the replacement or repair of damaged property.

We will only ask for information relevant to your claim and we will pay for any reasonable expenses you incur in providing us with the above information as part of your claim.
Claims conditions continued

What you must not do

- Admit or deny any claim made by a third party against you or your family or make any agreement with them.
- Abandon any property for us to deal with.
- Dispose of damaged items as we may need to see them.

What we are entitled to do

We are entitled to take over any rights in the defence or settlement of any claim and to take proceedings in your name for our benefit against any other party. We are entitled to take possession of the property insured and deal with any salvage. We may also pursue any claim to recover any amount due from a third party in the name of anyone claiming cover under this policy.

Fraud

You and your family must not act in a fraudulent way.

If you or anyone acting for you:

- makes a claim under the policy knowing the claim to be false or fraudulently exaggerated in any way or
- makes a statement in support of a claim knowing the statement to be false in any way or
- sends us a document in support of a claim knowing the document to be forged or false in any way or
- makes a claim for any loss or damage caused by you or your family’s wilful act or with your agreement, knowledge or collusion.

Then:

- we shall not pay the claim
- we shall not pay any other claim which has been or will be made under the policy
- we may at our option declare the policy void
- we shall be entitled to recover from you the amount of any claim already paid under the policy since the last renewal date
- we shall not return any premium
- we may tell the police of the circumstances.
How we settle claims

We may repair, reinstate or replace the lost or damaged property. If we cannot replace or repair the property we may pay for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

If no equivalent replacement is available then we will pay the full replacement cost of the item with no discount applied. The sums insured will not be reduced by any claim.

We may appoint an approved supplier to act on our behalf to validate your claim. They are authorised to arrange a quotation a repair or a replacement where appropriate.

Any permanent repairs made by our approved suppliers are guaranteed.

Contents worldwide

**Contents (excluding fine art antiques and collectables)**

We will settle claims for loss or damage to items which are not capable of economic repair on the basis of cost as new at the time of the loss or damage.

**Fine art antiques and collectables**

We will settle claims for loss of or damage to items which are not capable of economic repair on the basis of the acquisition cost or current market value whichever is greater.

**Buildings**

We will settle claims for loss or damage to the buildings without deduction as long as:

- the buildings are maintained in good repair
- the repair or reinstatement is carried out and
- the sum insured at the time of the loss or damage represents at least the cost of rebuilding all the property covered in the same form size style and condition as new.

If it is not possible to repair or rebuild the damage to the buildings, or it is uneconomical to do so, we will at our option pay the difference between the value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the building but you ask us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your buildings due to the damage but not more than it would have cost us to repair the damage to your buildings.
How we settle claims continued

Matching sets, suites and carpets applying to both Contents worldwide and Buildings

We treat an individual item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not for undamaged companion pieces. If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fitting.

If a carpet is damaged beyond repair we will only pay to have the damaged carpet replaced. We will not cover undamaged carpet in adjoining rooms.

Storm damage claims

The definition of what we mean by storm can be found in the ‘Meanings of defined terms’ section on pages 4 – 6.

When we assess your claim, we will not rely solely on the definition of storm as this is just one factor we consider when you have this kind of damage to your home.

Other factors we consider are as follows:

- Does the evidence show that storm conditions occurred on or around the date the damage is said to have happened.
- Is the damage claimed for consistent with the damage caused by storm damage.
- Were storm conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the storm. This insurance policy is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this policy for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your home before making a decision.

In order to help assess your claim, we will also send a claims expert to your home if necessary.
Inflation protection

To help protect you against the effect of inflation we will review and amend where necessary every sum insured under Contents worldwide and Buildings at the end of each month by the percentage change in the following indices:

**Contents** – the Consumer Durables section of the Retail Price Index issued by the Office for National Statistics.

**Buildings** – the House Rebuilding Cost Index compiled by the Building Cost Information Service of the Royal Institution of Chartered Surveyors.

If an index becomes unavailable we will use another suitable alternative index.

We will not reduce the sums insured or monetary limits if an index falls.

No extra charge will be made for any increase until the renewal of your policy. The renewal premium will be based on the revised sum insured.

Although you have the benefit of inflation protection you should not rely on this alone to ensure the buildings and contents sums insured are adequate.

The rebuilding cost of your buildings or value of contents may be growing faster than inflation – perhaps because of a new extension or items you have bought or been given.
Contents worldwide

Your schedule will show if this section is in force.
The Inflation protection section applies.
All of the following things are included provided that they belong to you or your family or you or they are legally responsible for them and with the exclusion of business equipment they are primarily used for private purposes.

To help you deal with these and other matters which may arise we are able to give you access to discounted legal service provided by us in partnership with our panel solicitors. Our panel solicitors are one of the country’s leading law firms with expertise in all areas where assistance is likely to be required.

If you would like to make use of the service please contact the number above for an initial telephone consultation which will be provided at no cost to you.
