Using this booklet

Please read this **policy** booklet with your schedule to make sure that you are satisfied with your insurance. If you have any questions please contact your Insurance Agent.

Certain words and phrases have a defined meaning. You can find the meanings of these defined terms on pages 8 – 9.

We have included some explanatory notes in your **policy** booklet. These are printed in *italics*.

You will find the following headings on many pages.

✓ What is covered

These sections give detailed information on the insurance provided and should be read, at all times, with 'What is not covered'.

X What is not covered

These sections tell you what is not included in your **policy**.

Your policy

Thank you for choosing AXA Insurance UK plc.

This **policy** describes the insurance cover provided during the period of insurance as shown in your schedule which you have paid for, or have agreed to pay for, and for which we have accepted the premium.

The contract between you and us is made up of this **policy**, the schedule and any **endorsements** shown in the schedule.

Important information

Please read this **policy** booklet with your schedule to make sure that you are satisfied with your insurance. If you have any questions please contact your Insurance Agent.

Please also take some time to read our complaints procedure in the Making a complaint section on page 38.

The law which applies to this policy

You and we can choose the law which applies to this **policy**. We propose that the Law of England and Wales apply. Unless we and you agree otherwise the law of England and Wales will apply to the **policy**.

Checking for changes to your cover

If you have varied the basic terms of your **policy** with us, this will be stated on your schedule.

In addition we may apply **endorsements** that can include things like a larger **policy excess** on a specific section or an increased cover limit.

Important advice

Our AXA Residential Let policy is designed to protect you against the risk of things happening suddenly which you could not have expected such as fire, flood and storm. It is not designed to protect you against losses that arise due to the gradual deterioration or poor maintenance of your property.

We want to ensure that you are fully aware of the extent of your cover, and would therefore urge you to read this policy in full along with the policy schedule. We have also taken this opportunity to bring some helpful information to your attention and suggest you bring this to the attention of the occupiers.

This section does not form part of your policy and contains only examples of what is contained in your booklet.

Collision

If someone crashes into your wall or your house make sure you or the occupiers record their name, address, vehicle registration and contact details. We will need this information to help us try to recover your excess.

Subsidence

Damage caused by subsidence is the result of ground movement affecting your property. The most common signs of this are diagonal cracks away from door and window frames. New properties will often move for reasons other than subsidence and this natural settlement is not covered.

Subsidence and other types of ground movement can be difficult and complex to repair. It is important that you tell us as soon as possible if you think your property may be affected.

Escape of water

Your cover for escape of water is designed to cover damage to your property caused by water leaks.

One of the biggest risks of water damage occurs in the winter where pipes can freeze and burst causing large amounts of damage. It is important that you take steps to avoid this particularly when the property is untenanted.

Make sure you read the conditions in your policy (page 10) so you know you are complying with them. Please note cover ceases after the private residence has been unoccupied for more than 45 days.

In addition, many claims occur due to water leaks caused when the seals around your bath or shower have worn away.

Pipes often burst because they have worn out; if this happens we will be able to pay for the damage the water caused but not to repair the pipe itself.

Fires

Smoke alarms save many lives and significant damage every year. Please ensure that you have them fitted and check them regularly.

Important advice

Floods

If water has or is expected to enter your property you should secure your private residence and turn off all the utilities like power, water and gas supplies at their main source and disconnect all electrical appliances if possible.

If you know that you live in an area which is prone to flooding, there are additional steps you can take to protect your property and we would recommend contacting your local Environment Agency for further advice or call Floodline on 0345 988 1188.

Drains

Some drains which use defective materials such as pitch fibre in their construction are prone to wear out over time naturally. If this happens they will not be covered by your policy but there are more specific insurance policies available to protect you against this risk.

Storms

Properties are designed to withstand damage by all but the most extreme weather conditions. Normal weather conditions should not cause damage to a well maintained property and damage of this nature is not covered by this policy. It is therefore important that you keep your property in a good state of repair. Areas that you should focus on include blocked or broken gutters or downpipes, and loose or damaged roof tiles.

Some areas like flat roofs, fascia boards and boundary walls are difficult to inspect so if you cannot check them yourself you should use a relevant building expert to do this for you.

Meaning of defined terms

Meanings that apply throughout your policy

These meanings apply throughout the policy.

If a word or phrase has a defined meaning, it will be **highlighted in bold blue print** and will have the same meaning wherever it is used in the **policy**.

You must comply with the following conditions to have the full protection of your **policy**.

- change the terms and/or premium of your **policy**

- If the **private residence** will be **unoccupied**.

3 Maximum limits

- a** The value of your **buildings**.

You must notify us as soon as possible if the full rebuilding cost of your **buildings** exceeds the amount shown in your schedule.

If the amount shown on your schedule represents less than 100% of the full rebuilding cost of your **buildings**, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your **buildings** shown on your schedule only represents 70%

General conditions

of the full rebuilding cost then we will not pay more than 70% of your claim.

The full rebuilding cost of your **buildings** means the cost of rebuilding if the **buildings** were completely destroyed. This is not necessarily the market value.

If the full rebuilding cost of your **buildings** exceeds the amount shown in your schedule the cover under the **policy** will no longer meet your needs.

b The value of your **landlord's contents**.

You must notify us as soon as possible if the full replacement value of your **landlord's contents** exceeds the amount shown in your schedule.

If the amount shown on your schedule represents less than 100% of the full replacement value of your **landlord's contents**, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your **landlord's contents** shown on your schedule only represents 70% of the full replacement value then we will not pay more than 70% of your claim.

The full replacement value of your **landlord's contents** means the current cost to replace all your **landlord's contents** as new.

If the full replacement value of your **landlord's contents** exceeds the amount shown in your schedule the cover under the **policy** will no longer meet your needs.

4 Taking care of your property

You must take all reasonable precautions to avoid injury, loss or damage and take all reasonable steps to safeguard all the property insured from loss or damage.

You must maintain the **landlord's contents** and **buildings** in good repair.

5 Occupiers non-invalidation

Your cover under this insurance shall not be prejudiced by any act or neglect by a tenant of any **private residence** where the risk of loss or damage is increased without your authority or knowledge providing that when you become aware you let us know immediately. We will then tell you about any change in terms or increase in premium.

6 Dual insurance

If any injury, loss, damage or liability is covered by any other insurance then we will not pay more than our share.

7 Unoccupancy between tenancy agreements

If any **private residence** is not lived in for seven consecutive days or more whilst untenanted you must ensure that:

- a the gas, electricity and water is turned off at the mains and the water or heating system is drained or
- b the **private residence** is maintained at a temperature no less than 10°C and
- c the premises are visited at least once every seven days.

Making a claim

When you need to make a claim please call our claims team who will immediately take action to help you. To make the claims process as quick as possible please have your **policy** number.

- Phone the 365 days a year 24 hour emergency helpline. By phoning the helpline you will be given the choice of using a vetted tradesperson who could be appointed to undertake any emergency repairs or you use your own contractor. You will have to pay for any call out charges, parts and costs of labour.
- Call our claims team who can discuss the claim and give you some practical advice. Please look at the phone numbers on page 2 and choose the most appropriate number.

- You must not dispose of any damaged items or conduct permanent repairs because we may need to inspect the damage.

Our promise

- You will speak to a knowledgeable and trained member of staff who can discuss the claim and explain the next steps
- We will call you back when promised
- We will provide you with regular updates on your claim.

How we settle claims

We may repair, reinstate or replace the damaged property. If we cannot replace or repair the property we may pay for the loss or damage in cash or cash alternative (including vouchers and/or store cards).

Where we can offer repair or replacement through a preferred supplier, but we agree to pay a cash or cash alternative settlement, then payment will not exceed the amount we would have paid the preferred supplier.

If no equivalent replacement is available then we will pay the full replacement cost of the item with no discount applied.

With your agreement we may appoint an approved supplier to act on our behalf to validate your claim. They are authorised to arrange a quotation, a repair or a replacement. Any permanent repairs made by our approved suppliers are guaranteed.

Buildings

We will settle claims for loss or damage to the **buildings** without deduction as long as:

- the **buildings** are maintained in good repair
- the **buildings** limit shown in your **policy** schedule is sufficient to cover the full value of the **buildings**.

For **buildings** full value means the cost of rebuilding if the **buildings** were completely destroyed. This is not necessarily the market value.

If it is not possible to repair or rebuild the damage to the **buildings**, or it is uneconomical to do so, we will at our option pay the difference between the

value of selling your property on the open market immediately before the damage and its value after the damage. If it is possible to repair the **building** but you ask us to settle the claim using cash or cash alternative, and we agree to do so, we will pay for the decrease in market value of your **buildings** due to the damage but not more than it would have cost us to repair the damage to your **buildings**.

Landlord's contents

We will settle claims for loss or damage to items which are beyond economic repair on the basis of cost as new as long as:

- the **landlord's contents** have been maintained in good repair
- the **landlord's contents** sum insured shown in your **policy** schedule is sufficient to cover the full value of the property.

For **landlord's contents** the full value means the current cost to replace all your **landlord's contents** as new.

Matching sets and suites

We treat an individual item of a matching set of items or suite of furniture or sanitaryware or other bathroom fittings as a single item. We will pay you for individual damaged items but not undamaged companion pieces.

If the individual damaged items cannot be repaired or a replacement found we will also pay up to 50% towards the undamaged part of the set or suite of furniture, sanitary ware or bathroom fittings.

How we settle claims

If a floor covering is damaged beyond repair we will only pay to have the damaged floor covering replaced. We will not cover any undamaged floor covering in adjoining rooms.

Storm damage claims

The definition of what we mean by **storm** can be found in the 'Meanings of defined terms' section on pages 8 and 9.

When we assess your claim, we will not rely solely on the definition of **storm** as this is just one factor we consider when you have this kind of damage to your property.

Other factors we consider are as follows:

- Does the evidence show that **storm** conditions occurred on or around the date the damage is said to have happened.
- Is the damage claimed for consistent with the damage caused by **storm** damage.
- Were **storm** conditions the main cause of the damage or were other factors involved. For example, we look if the damage would have occurred without the **storm**. This insurance policy is not designed to cover you for any gradual deterioration, wear and tear or loss or damage resulting from inadequate maintenance. Please see the general exclusions and conditions section of this policy for more information.

We will always talk to you about what damage you have as well as look at the weather conditions in the area.

Where we obtain local weather reports, we will take into account the distance of any weather stations from your property before making a decision.

In order to help assess your claim, we will also send a claims expert to your property if necessary.

Inflation protection

To help protect you against the effect of inflation we will review and amend where necessary the sum insured under **landlord's contents** at the end of each month by the percentage change in the Consumer Durables Section of the Retail Price Index compiled by the Office for National Statistics.

If this index becomes unavailable we will use a suitable alternative index.

We will not reduce the sums insured or monetary limits if an index falls.

No extra charge will be made for any increase until the renewal of your **policy**. The renewal premium will be based on the revised sum insured.

Although you have the benefit of Inflation protection you should not rely on this alone to ensure the **landlord's contents** sum insured are adequate.
