Your duties

1. Keeping Your sums insured at the correct level
   You must at all times, keep the sums insured at a level which represents the full value of the property insured.
   1) The value of your buildings.
      You must notify us as soon as possible if the full rebuilding cost of your buildings exceeds the amount shown in your policy schedule.
      If the amount shown on your policy schedule represents less than 100% of the full rebuilding cost of your buildings, we will only be able to settle claims at the percentage you are insured for. For example, if the value of your buildings shown on your policy schedule only represents 70% of the full rebuilding cost then we will not pay more than 70% of your claim.
      The full rebuilding cost of your buildings means the cost of rebuilding if the buildings were completely destroyed. This is not necessarily the market value.
      If the full rebuilding cost of your buildings exceeds the amount shown in your schedule the cover under the policy will no longer meet your needs.
   2) The value of your contents.
      You must notify us as soon as possible if the full replacement value of your contents exceeds the amount shown in your policy schedule.
      If the amount shown on your policy schedule represents less than 100% of the full replacement value of your contents, we will only be able to settle claims at the percentage you are insured for.
      For example, if the value of your contents shown on your policy schedule only represents 70% of the full replacement value then we will not pay more than 70% of your claim.
      The full replacement value of your contents means the current cost as new (other than clothes, furs and household linen). For clothes, furs and household linen the current cost as new less an appropriate allowance for wear and tear.
      If the full replacement value of your contents exceeds the amount shown in your policy schedule the cover under the policy will no longer meet your needs.

2. Changes in Your circumstances
   You must notify Us as soon as possible of any change which may affect this insurance and in particular any of the following:

   If you are in any doubt please ask Your Broker or Agent.
3. Taking Care of Your Property
   You and Your Family must take and cause to be taken all reasonable precautions to avoid injury loss or damage and take and cause to be taken all practicable steps to safeguard all the property insured from loss or damage.
