Important Customer Information

Pages 3, 4 and 5 are for your guidance and do not form part of the insurance contract.

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance.

So that you understand what you are covered for, please read this policy, the policy schedule (which may make reference to endorsements) and the certificate of motor insurance very carefully. You should pay special attention to the General Exceptions and General Conditions of this policy.

The words or phrases shown under the Definitions section of this policy document commencing on page 7 have the same meaning whenever they appear in this policy document or in the certificate of motor insurance, policy schedule or endorsements. So that you can easily identify these words and phrases they are shown in bold print throughout this policy document.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your insurance intermediary.

Notification of changes which may affect your insurance

To keep your insurance up to date please notify us straight away via your insurance intermediary about changes which may affect your cover.

Some examples are:

- A change of motorcycle, or you purchase another vehicle to which you want cover to apply.
- You wish a new rider/driver to be covered.
- You or any other rider/driver passes their driving test.
- Someone who rides the motorcycle gets
  i) a motoring or other conviction or fixed penalty notice or other licence endorsement or
  ii) suffers from a medical condition or
  iii) has a claim on another policy or
  iv) has any police enquiry or prosecution pending (note - if you have received a written notification or been stopped by the police a prosecution may be pending and must be disclosed).
- The motorcycle has been changed or you intend to make a change in any way from the manufacturer’s standard specification, including changes to:
  i) Paintwork or the introduction of decals or stickers
  ii) Suspension or brakes
  iii) Wheels or tyres
  iv) The vehicle performance such as changes to the engine management system or exhaust system
  v) Accessories such as panniers, top box etc.
- A change of occupation (full or part-time) by you or any other rider/driver.
- A change of postal address.
- A change of storage/garaging facilities at your postal address.
- A change in the use of the motorcycle.
- The motorcycle is involved in an accident no matter how trivial.
- A change of the main user of the motorcycle.
- If the motorcycle is likely to exceed the annual mileage declared at the commencement or renewal of the policy for which you may have received a premium discount.

This is not a full list and if you are in any doubt you should advise your insurance intermediary for your own protection. If you do not tell us about changes, your insurance may not cover you fully or at all.

Having an MOT certificate

There must be a valid Department for Transport test certificate (MOT) in force for the motorcycle if one is needed by law. Failure to supply a current MOT certificate, if one is needed by law, when requested by us following a claim may reduce the value of the motorcycle or in some circumstances mean we are unable to deal with your claim.

Continuous Insurance Enforcement

Under the Continuous Insurance Enforcement legislation it is an offence to keep a vehicle without insurance unless you have notified the DVLA/DVLNI that your vehicle is being kept off the road and have a valid Statutory Off Road Notification (SORN).

Guidance notes

There are useful guidance notes shown in shaded boxes throughout the policy document. The guidance notes do not form part of the insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

Insurance provided - guide to policy cover

The level of cover provided by this insurance is shown on your policy schedule. The sections of this Motorcycle Insurance Policy that apply for each level of cover are as shown below. Cover is subject to any endorsement shown on your policy schedule.

Comprehensive
Sections A to E of this Motorcycle Insurance Policy apply.

Third Party Fire and Theft
Sections B, C, D and E of this Motorcycle Insurance Policy apply.

Third party only
Sections C, D and E of this Motorcycle Insurance Policy apply.

What is covered
We will cover you against loss or damage to the motorcycle (less any excess that applies) caused accidentally or as a result of malicious damage or vandalism (malicious fire damage is covered by Section A of this policy). Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy.

Accessories
We will cover you against loss or damage to accessories while fitted to the motorcycle caused accidentally or as a result of malicious damage or vandalism. Cover in respect of accessories is limited to £400 in respect of any one occurrence (after the deduction of any excess that applies). Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy.

Repairs
Repairs are normally undertaken by our approved repairer.

If the motorcycle is the subject of a Hire Purchase or lease Agreement we will pay up to the limit of liability defined elsewhere in this section. This payment will be made to the Hire Purchase or lease Company as owner of the motorcycle whose receipt of payment shall be a discharge of any claim under this section.

If you owe less than the proceeds of your claim, we will pay you the difference.

SECTION A - Loss of or damage to the insured motorcycle

This section only applies if the cover shown on your policy schedule is Comprehensive.

The most we will pay will be either:

• the market value of the motorcycle immediately before the loss, or
• the cost of repairing the motorcycle, whichever is the lower amount; or
• the written down value or market value, whichever is lower, if your motorcycle is under a lease agreement.

We are not liable for any amount you are contractually obliged to pay under any lease or finance agreement, you have entered into, over and above the cost of replacing your motorcycle.

If the motorcycle was not first registered from new in any country contained within the geographical limits we will not pay more than the purchase price paid by you at the time that you purchased the motorcycle.

If the motorcycle is deemed to be beyond economical repair the lost or damaged motorcycle becomes our property once a claim is met under the policy. You must send us the vehicle registration document and MOT certificate (if one is required by law) before we are able to meet the claim.

If parts required for repairing the motorcycle are not available in any country contained within the geographical limits our liability for those parts shall not exceed the manufacturers’ last United Kingdom list price or if not listed the price of those parts for the nearest comparable motorcycle available in the United Kingdom. We will not pay the cost of importing parts that are not available in any country contained within the geographical limits.

We may at our option use parts that have not been supplied by the original manufacturer or parts that have been recycled to repair the motorcycle. These parts will be subject to the approved repairer’s guarantee.
We will not pay the cost of any repair or replacement which improves the motorcycle to a better condition than it was in before the loss or damage for which you are claiming. If this does happen you must make a contribution towards the cost of repair or replacement. You may be required to contribute to the cost of replaced items such as exhausts or tyres.

**Excess**

You will be responsible for paying the amount shown on the policy schedule in respect of any claim relating to loss of or damage to the motorcycle.

**Young Rider Excess**

You will be responsible for paying the following amounts while the motorcycle is being ridden by or in the charge of the category of rider listed below:

<table>
<thead>
<tr>
<th>Age of rider or person</th>
<th>Amount of Excess</th>
</tr>
</thead>
<tbody>
<tr>
<td>last in charge of the motorcycle at the time of loss or damage</td>
<td></td>
</tr>
<tr>
<td>Aged 20 years and under</td>
<td>£300</td>
</tr>
</tbody>
</table>

The Young Rider Excess applicable at the time of loss or damage is determined by the age of the person riding/in charge of the motorcycle at the inception date or last renewal date of the policy, whichever is the later.

The amount shown above is in addition to any other excesses which are shown on the policy schedule.

**Protection and Recovery**

If the motorcycle cannot be ridden following an incident leading to a valid claim under this section, we will pay:

- the cost of its protection and removal to the approved repairer, place of safety or make our own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

If the motorcycle is the subject of a Hire Purchase or Lease Agreement we will pay up to the limit of liability defined elsewhere in this section. This payment will be made to the Hire Purchase or Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If you owe less than the proceeds of your claim, we will pay you the difference.

**Guidance Notes – Flood Advice**

- If possible move your motorcycle to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).
- Do not attempt to ride your motorcycle through floodwater as it is inevitable that this will damage your engine. The policy does not pay for electrical faults and these are also likely to occur if you do ride through floodwater.
- If your motorcycle is submerged do not try to start the engine. If possible get your motorcycle pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to your motorcycle resulting from flood damage are covered if your policy is comprehensive but claims will be subject to the policy excesses.

**Guidance Notes – Finance or Lease Agreement**

If your motorcycle is the subject of a finance or lease agreement and is deemed to be damaged beyond economical repair due to a covered loss under the policy the market value or written down value placed on your motorcycle may not be sufficient to satisfy that agreement.

This policy does not cover any amount you are contractually obliged to pay under any lease or finance agreement, you have entered into, over and above the cost of replacing your vehicle.

We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

If the motorcycle is the subject of a Hire Purchase or Lease Agreement we will pay up to the limit of liability defined elsewhere in this section. This payment will be made to the Hire Purchase or Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If you owe less than the proceeds of your claim, we will pay you the difference.

**Accessories**

We will cover you against loss of or damage to accessories while fitted to the motorcycle caused by fire (other than by vandalism or malicious intent), lightning, self-ignition, explosion, theft or attempted theft.

Cover also applies under this section while the motorcycle is in the custody of a member of the motor trade for servicing or repair.

**Repairs**

Repairs are normally undertaken by our approved repairer.

If you choose to use an alternative repairer:

- we will not guarantee the work after you have signed a customer satisfaction note and the motorcycle has been returned to you by the repairer; and
- we will not pay more than the cost of repairs had the work been undertaken by our approved repairer. In these circumstances we may at our option settle the claim for repairs to the motorcycle by making a cash payment for the amount quoted by our approved repairer less the excess which applies to the claim.

If parts required for repairing the motorcycle are not available in any country contained within the geographical limits our liability for those parts shall not exceed the manufacturers’ last United Kingdom list price or if not listed the price of those parts for the nearest comparable motorcycle available in the United Kingdom. We will not pay the cost of importing parts that are not available in any country contained within the geographical limits.

We may at our option use parts that have not been supplied by the original manufacturer or parts that have been recycled to repair the motorcycle. These parts will be subject to the approved repairer’s guarantee.

Section B - Loss of or damage to the motorcycle by Fire or Theft (continued)

If the motorcycle is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing. You should remove your personal belongings from the motorcycle before it is collected from you.

In the event of a claim being made under the policy we have the right to remove the motorcycle to an alternative repairer, place of safety or make our own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

We will not pay the cost of any repair or replacement which improves the motorcycle to a better condition than it was in before the loss or damage for which you are claiming. If this does happen you must make a contribution towards the cost of repair or replacement. You may be required to contribute to the cost of replaced items such as exhausts or tyres.

Excess
You will be responsible for paying the amount shown on the policy schedule in respect of any claim relating to loss of or damage to the motorcycle caused by fire (other than by vandalism or malicious intent), lightning, explosion, theft or attempted theft.

<table>
<thead>
<tr>
<th>Age of rider or person</th>
<th>Amount of Excess</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aged 20 years and under</td>
<td>£300</td>
</tr>
</tbody>
</table>

The Young Rider Excess applicable at the time of loss or damage is determined by the age of the person riding/in charge of the motorcycle at the inception date or last renewal date of the policy, whichever is the later.

The amount shown above is in addition to any other excesses which are shown on the policy schedule.

Protection and Recovery
If the motorcycle cannot be ridden following an incident leading to a valid claim under this section, we will pay:-

- the cost of its protection and removal to the nearest approved repairer, competent repairer or nearest place of safety, and
- the cost of re-delivery after repairs to your home address, and

Guidance Notes - Preventing Crime
Don’t give criminals an easy ride. Vehicle crime makes up 20% of all recorded crimes in the UK.

Most thefts can be prevented - and it’s in your interest and ours to take some simple precautions. Most things are common sense.

Lock your motorcycle and remove your ignition key when leaving it for even a short time e.g. at a petrol station or cashpoint machine.

Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal it. Always keep the keys secure even inside your home (do not leave keys where a burglar can easily find them such as on a shelf or hook).

Do not keep items such as the registration document, service book, MOT certificate or certificate of insurance with the motorcycle.

Use good-quality locks and security devices.

Park in a secure place if you can. If you have a garage, use it and lock it.
Section C - Liability to other people

What is covered
Use of the motorcycle
We will cover the categories of people listed below for their legal liability for death, bodily injury or damage to property caused by the use of the motorcycle or an attached trailer:
• you, and
• any person permitted to ride the motorcycle under the certificate of motor insurance who is riding with your permission; and
• any passenger on the motorcycle; and
• any person using (but not riding) the motorcycle for social domestic and pleasure purposes with your permission; and
• your employer or business partner in the event of an accident occurring while the motorcycle is being used for the business of your employer or business partner as long as your certificate of motor insurance allows them to ride the motorcycle and allows such business use; and
• the legal representatives of any person who would have been covered under this section.

Third Party Property Damage Limit
The most we will pay for property damage for any one claim, or series of claims arising out of any one event is £20,000,000. The most we will pay in costs for any one property damage claim or series of property damage claims arising out of any one event is £5,000,000.

Legal Costs
If there is an accident that is covered under this insurance we may at our absolute discretion consider payment in respect of the following legal costs:
• solicitors fees for representing you at any fatal accident enquiry, Coroner’s, Magistrates or similar court; and
• the cost of legal services to defend you against a charge of manslaughter or causing death by dangerous or reckless driving.

If we agree to pay these costs under this policy the choice and appointment of legal representation and the extent of any assistance that we provide will be entirely at our discretion. There will be no agreement to pay these costs unless we have confirmed this to you in writing.

Riding other Bikes
If it is stated on your certificate of motor insurance that you may ride any motorcycle which is not owned by you or hired to you under a rental, hire purchase or lease agreement then we will provide cover, under this section of the policy only, whilst you are riding that motorcycle.

This extension applies to the policyholder only. Cover does not apply in respect of any other rider/driver named under this policy. Additionally, Riding Other Bikes cover will not apply if:
• you do not have the motorcycle owners permission to ride the motorcycle; or
• the motorcycle belongs to a member of your immediate family or anyone who is resident at the proposed address and is furnished or available to you for regular use; or
• this policy is issued in the name of a company or firm; or

• the motorcycle is being used in respect of your business or profession.
• you are under 25 years of age.
• you have held a full motorcycle license for less than 12 months.
• your motorcycle has a cubic capacity of less than 350cc.

Emergency Medical Treatment
We will pay emergency treatment charges required by the Road Traffic Acts. If this is the only payment we make, it will not affect your no claim discount.
What is not covered

We shall not be liable:
• if the person claiming is otherwise insured; or
• for the death of or injury to the rider/driver of the motorcycle; or
• for loss or damage to property belonging to or in the care of any person insured under this section or for not being able to use any such property; or
• for damage to the motorcycle or property on it or being conveyed in it or for not being able to use any such property; or
• for loss or damage to any trailer being towed by the motorcycle or for not being able to use any such trailer; or
• if the death of or bodily injury to any person covered under this section arises out of or in the course of his/ her employment except where such liability must be covered under the Road Traffic Acts; or
• for death or bodily injury to any person being carried in or on any trailer; or
• if a person who was not driving makes a claim and he/she knew that the person driving did not hold a valid driving licence.

Any loss, damage, death or injury arising as a result of a ‘road rage’ incident or caused deliberately by you or any other person claiming under this policy.

**Guidance Notes – Riding Other Bikes**

The riding other bikes benefit is supplied by us (if shown on your certificate of motor insurance) to allow you to ride a motorcycle owned by somebody else, with their permission, on a temporary one off basis due to necessity and not to cover you to ride that motorcycle regularly. If that is your intention then ask the motorcycle owner to get you added onto their insurance policy.

You must bear in mind that you are only covered for Third Party Only benefits under this section of the policy which means that if the motorcycle is damaged or stolen we will not pay the cost to repair or replace it. Also, there is no cover under this section of the policy for anyone else you have named to ride under this policy including your spouse, nor if you take the motorcycle abroad or want to use it in connection with your business or profession.

The motorcycle you intend to ride must be registered in, and already have insurance that is valid, within the geographical limits of the policy. We define a motorcycle, under this section of the policy, as a mechanically propelled two wheeled vehicle with or without a sidecar attached with an unladen weight of less than 410 kilograms.

Riding Other Bikes cover does not allow you to secure the release of a motorcycle, other than the motorcycle identified on the certificate of motor insurance by its registration mark, which has been seized by, or on behalf of, any government or public authority.

If you are in doubt as to whether you qualify for the Riding Other Bikes benefit or that you have entitlement to ride a specific motorcycle or under specific circumstances then please consult your insurance intermediary prior to riding the motorcycle otherwise you run the risk of riding uninsured.

What is covered

**Legal minimum insurance**

While the motorcycle is in:
• any country which is a member of the European Union (EU); or
• Any country which the Commission of the European Communities is satisfied has made arrangements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of a motor vehicle. This policy provides the minimum level of cover in respect of liability which is legally insurable in the country concerned.

This legal minimum insurance does not include cover for loss of or damage to the motorcycle.

**Full policy cover**

In addition to the legal minimum cover shown above, this policy is extended to provide the cover (as shown in your policy schedule) to any member country of the EU and also Andorra, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino, Serbia and Switzerland provided that:
• you notify your insurance intermediary before your journey abroad; and
• the use of the motorcycle abroad is limited to no more than 30 days for each journey and 90 days in total in any one annual period of insurance; and
• you or any permitted rider/driver are permanently resident within the geographical limits of this policy; and
• your visit abroad is for social, domestic or pleasure purposes.

A Green Card is not required for the countries listed above.

If the policy is extended to provide the cover shown on your policy schedule whilst abroad:
• insurance is automatically provided on the motorcycle while it is being transported (including loading and unloading) between ports in countries where you have cover, provided the motorcycle is being transported by rail or a recognised sea route of not more than 65 hours duration; and
• we will pay the cost of delivery of the motorcycle to you after repairs in the country in which damage was sustained, or to your home address if the damage cannot be repaired economically by the intended time of your return to any country contained within the geographical limits or if the motorcycle is stolen and recovered after your return to any country contained within the geographical limits; and
• we will pay the amount of foreign customs duty for which you are liable as a direct result of loss or damage to the motorcycle preventing its return to any country contained within the geographical limits.

If you wish to extend full policy cover outside of the countries and scope of the limitations shown above you must contact your insurance intermediary to obtain our agreement to provide cover in advance of your intended trip abroad.

Any agreement by us to extend full policy cover beyond the limits above may be subject to an additional premium and policy restrictions.

The exceptions applying to sections A, B & C of this insurance also apply to this section.
**Section E - No Claim Discount**

As long as no claim is made under this policy during any annual period of insurance, we will give you a discount when you renew your insurance based on the No Claim Discount scale below. However, your entitlement will be affected in the event of a claim or multiple claims being made under this policy.

If you make a claim or if a claim is made against you for an event which you may not consider to be your fault and we have to make a payment, this will affect your no claim discount unless we can recover our outlay in full from the responsible party.

If you decide to cancel your policy and premiums remain outstanding we will not be able to issue proof of no claim discount until the outstanding premiums are paid.

You cannot transfer your no claim discount to somebody else.

Your no claim discount will not be affected in the following circumstances:

- if we make a full recovery of all payments made by us in connection with all claims made against your policy,
- if we only have to pay for an emergency treatment fee.

**Guidance Notes - No Claim Discount**

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although you are not claiming for damage to your motorcycle, there is a potential for a claim against your policy by the third party.

In these circumstances we may disallow your No Claim Discount for up to 12 months until we are confident that a third party claim is unlikely to materialise.

**Section D - Foreign Use (continued)**

**Guidance Notes – Going Abroad**

This section describes the cover available if you take your motorcycle abroad.

The policy does not automatically provide full cover abroad so, before travelling, please contact your insurance intermediary to arrange cover. The extended full insurance will then cover you in the countries for which we have agreed to provide cover and when your motorcycle is travelling by rail or sea between those countries.

Unless you notify your insurance intermediary in advance of a trip abroad, the cover under this insurance may be limited to the minimum cover you need under the law of the relevant country (EU minimum insurance).

This minimum insurance will not provide any cover for damage to your motorcycle.

Take your certificate of motor insurance as evidence of insurance when you travel abroad.

If your motorcycle suffers any loss or damage that is covered by this insurance and it is in a country where you have cover, we will refund any customs duty you pay to temporarily import your motorcycle.

We will only consider extending this insurance to countries which are covered by the International Green Card system.

If you are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialling code for the UK: Telephone 0044 (0) 345 293 5330

Important: Riding Other Bikes cover does not apply abroad.

**Guidance Notes – Foreign Use**

(continued)

a) used for a purpose which is not permitted or is excluded by the certificate of motor insurance;

b) used on the Nurburgring Nordschleife or any race track, racing circuit or prepared course or used for motocross, motorbike trials or scrambling activities unless you have told us about this and we have agreed to provide cover;

c) ridden by or was last in the charge of anyone not permitted to ride/drive by your certificate of motor insurance or temporary covering note, or who is excluded by endorsement;

h) Ridden/driven by any person who fails to take medication as prescribed or carry out prescribed treatment or report for a medical examination recommended by a doctor where this inaction contributes to an accident.

General Exception 1 will not apply

- if the motorcycle has been stolen or taken away without your permission, or
- if the motorcycle is in custody of a garage for repair or servicing.

**2. Overseas use**

We will not make any payments for any liability, loss or damage that occurs outside of the geographical limits of this policy unless the insurance has been extended under the terms of Section D Foreign Use (apart from the minimum cover required by law).

**3. Legal proceedings**

This insurance does not provide any cover for liability, costs or expenses in respect of any proceedings brought against you or judgement passed in any court outside of the geographical limits, unless the proceedings or judgement arise out of the motorcycle being used in a foreign country which we have agreed to extend this insurance to cover and the proceedings are brought and judgement is made in such country.

**4. Contractual liability**

We will not cover any liability you have accepted under an agreement or contract unless you would have had that liability anyway.

**5. Radioactivity**

We will not cover any legal liability of whatsoever nature directly or indirectly caused by or contributed to or arising from:

- ionising radiations or contamination by radioactivity from any irradiated nuclear fuel or from any nuclear waste from the combustion of nuclear fuel; or

General Exceptions (continued)

6. War

7. Earthquake, riot and civil commotion

8. Use on airfields
We will not cover any liability in respect of:
• accident, loss or damage to any aircraft; or
• death or bodily injury arising in connection with accident, loss or damage to any aircraft; or
• any other loss indirectly caused by such accident, loss or damage to any aircraft, incurred caused or sustained while the motorcycle is in any airport or airfield.

9. Pollution
We will not pay for any liability, loss or damage resulting from pollution or contamination however caused, other than as required by the law of any country in which we have agreed to provide cover under this policy.

10. Terrorism
We will not cover any liability, loss or damage caused by acts of terrorism apart from the minimum level of cover we must provide by law.

General Conditions

THESE GENERAL CONDITIONS APPLY TO THE WHOLE OF THE INSURANCE

1. Payment of premium, keeping to the policy terms & avoiding misrepresentation
We will only provide the cover described in this insurance policy if:
• you have paid or agreed to pay the premium for the current period of insurance, and
• you or any person claiming protection has kept all to all of the terms and conditions of this policy (including those applied by endorsement) as far as they can apply, and
• in entering into this contract you have taken all reasonable care in answering all questions in relation to this insurance honestly and to the best of your knowledge.

Your premium is based on information you supplied at the start of the insurance, subsequent alteration or renewal. You must tell us via your insurance intermediary immediately of any change to that information. Some examples are any changes to the motorcycle which improve its value, attractiveness to thieves, performance or handling, any change of motorcycle, change of occupation (including part-time), change of address (including where the motorcycle is kept), change of riders/drivers, if you or any riders/drivers sustain a motoring or non-motoring conviction or licence endorsement or fixed penalty endorsement or if there is a change of main user.

If your premium has been calculated on a limited annual mileage basis we will seek evidence at the time of a claim to prove that your estimated annual mileage has not been exceeded. If you fail to supply appropriate evidence or evidence is provided by you which shows that the estimated annual mileage has been exceeded you will be required to pay an additional premium based on the limited annual mileage discount received.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 your failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in your policy being cancelled or your claim being rejected or not fully paid.

2. Looking after your motorcycle
You or any permitted riders/drivers are required to maintain the motorcycle in a roadworthy condition. You or any person in charge of the motorcycle are required to take care to safeguard it and its accessories from loss or damage, for example the motorcycle should not be left unsecured.

If your motorcycle is fitted with a restrictor kit when required by law you must not modify or remove this equipment from the motorcycle.

We shall at all times be allowed free access to examine the motorcycle.

3. Having an MOT certificate
There must be a valid Department for Transport test certificate (MOT) in force for the motorcycle if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) when one is needed by law all cover under sections A and B of this insurance is cancelled and of no effect.

4. Accidents or losses
In the event of an accident or incident likely to give rise to a claim which is covered under the policy, you must as soon as possible telephone the 24 hour claims helpline (this must be within 24 hours of the incident occurring). Please also refer to Page 4 of this policy booklet ‘What to do in the event of an accident’ for further guidance.

If the loss or damage is covered under the policy, the claims helpline operator will make arrangements to remove the motorcycle to the nearest approved repairer, competent repairer or place of safety, and safeguard the motorcycle and its contents.
We will not pay for further damage to the motorcycle if you ride it or attempt to ride it in a damaged condition.

If your claim is due to theft, attempted theft, malicious damage or vandalism, you must also notify the police within 24 hours of discovery of the loss or as near as practical and obtain a crime report number.

If the motorcycle is stolen and is no longer under your control we will remove it from the Motor Insurance Database (MID) until such time as it is recovered.

Important: If you are advised that your stolen motorcycle has been recovered following its theft and it is roadworthy, it is important that you notify your insurance intermediary immediately and before you ride the motorcycle, so that we can reinstate it onto the Motor Insurance Database otherwise you run the risk of being penalized.

We have the right to remove the motorcycle at any time to keep claims costs to a minimum. If the motorcycle is damaged beyond economical repair we will arrange for it to be stored safely at premises of our choosing. If we ask to examine driving licences and vehicle documentation before agreeing to settle a claim we can proceed with the settlement.

Any indication of a claim against you must be notified to us as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to us by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

No admission of liability, payment or promise of payment shall be made or given by you or any person on your behalf. No proceedings may be commenced against, or settlement accepted from, any other party without our written consent.

We shall have discretion in the conduct of any proceedings or in the settlement of any claim.

You must give us whatever co-operation, information and assistance we require in dealing with any claim under this policy.

If there is any other insurance in force which covers the same loss, damage or liability as this insurance, then our policy will only operate, up to the limits stated within the policy, if there is a shortfall in cover relating to the alternative insurance cover.

6. Cancellation

Cancelling the policy within the reflection period

This insurance provides you with a reflection period to decide whether you wish to continue with the full policy. The reflection period is for 14 days from the date you receive your policy documentation. If a period of less than 14 days has elapsed since you received your policy documentation, and you have not made a total loss claim, you have the right to cancel the policy and receive a refund of premium.

• if at the date of cancellation your policy has not yet commenced you will receive a full refund from us; or
• if your policy has already commenced, you will receive a full refund from us, less a pro rata charge for the period of cover provided. An administration charge of £40 plus Insurance Premium Tax (IPT) where appropriate will also apply.

Cancelling the policy after the reflection period

Cancellation by You

You or your Insurance Intermediary can cancel this policy either from the date we are notified, in writing, or a later date as requested by you.

Providing there have been no claims in the current period of insurance we will refund the premium relating to the remaining period of insurance calculated on a proportionate basis dependant on the number of days left to run under the policy a cancellation fee of £40 plus Insurance Premium Tax if applicable to take into account our costs in providing your policy.

Cancellation by Us

We can cancel this policy at any time if there are serious grounds to do so, for example:

• where your insurance intermediary has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between you and your insurance intermediary when you took out this policy); or
• you have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or
• you have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, proof of address etc.); or
• you have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or
• where you fail to maintain the motorcycle in a roadworthy condition or you fail to look after it in accordance with General Conditions 2 and 3 of this policy; or
• where we have grounds to suspect fraud or misrepresentation; or
• where you use threatening or abusive behaviour towards a member of our staff or a member of staff of your insurance intermediary or our supplier.

We will do this by giving you 7 days’ notice in writing to your last address notified to us. Your last notified address may include an email address nominated by you to accept correspondence.

We will refund the premium relating to the remaining period of insurance calculated on a proportionate basis dependant on the number of days left to run under the policy less a cancellation fee of no more than £40 plus Insurance Premium Tax if applicable to take into account our costs in providing your policy. The pro rata refund of premium (less the cancellation fee) is only available as long as:

• the insured vehicle has not been the subject of a total loss claim (i.e. written-off or stolen and not recovered); and
• cancellation is not due to any fraudulent act by you or anyone acting on your behalf.

We also reserve the right to retain all premium paid for the current period of insurance in the event that a fault claim has been made against the policy during this period.

Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current period of insurance and premium amounts are outstanding we may at our discretion reduce any claims payment by the amount of outstanding or overdue premiums that you owe us.
7. Total Losses and stolen vehicles
If as a result of a claim the motorcycle is determined to be a total loss or your vehicle has been stolen and not recovered this policy will be cancelled without refund of premium unless you change your motorcycle to another that would normally be acceptable to us or the stolen vehicle is recovered and not a total loss.

In the event of the policy being cancelled due to the motorcycle being a total loss or stolen and not recovered, and there being no replacement vehicle to insure or if there is a replacement vehicle to insure which is unacceptable to us, this policy will be cancelled without return of premium and all outstanding or overdue premiums must be paid immediately. We may at our discretion reduce the claims payment by the amount of outstanding or overdue premiums that you owe us.

8. Right of Recovery
• If under the laws of any country in which this insurance applies, we have to make payments which but for that law would not be covered by this policy, you must repay the amounts to us.
• You or the person who caused the accident must also repay us any money we have to pay because of any agreement we have with the Motor Insurers’ Bureau.

Any payment we make because we are required to do so by compulsory insurance law or an agreement with the Motor Insurers’ Bureau will prejudice your

No Claim Discount and will also mean that there will be no entitlement to a premium refund if the policy is cancelled or declared void.

Guidance Notes – Policy Cancellation
Please note that any refund from us whether during or after the reflection period may be subject to a further cancellation charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

The policy can only be cancelled from the date we are notified, in writing, or a later date as requested by you.

MID and the data stored on it, including your personal details, may be looked at and used by certain statutory and/or authorised bodies including the Police, the DVLA, the Insurance Fraud Bureau and other bodies permitted by law.

If you are involved in an accident (in the UK or abroad), insurers and/or the MIB may search the MID to obtain relevant information.

Persons pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration details are shown on the MID at www.askmid.com

Fraud Prevention and Detection
We carry out fraud checks on our customers. We do this in order to prevent fraud and also to help us make decisions about the provision, pricing and administration of insurance.

When carrying out these checks, we will search against fraud detection databases. We may pass details about you to some of these databases. Law enforcement agencies, financial service providers, fraud prevention agencies, police and other organisations may also access these databases.
