Settling claims

How **Insurers** deal with **your** claim

1. If **your** claim for loss or damage is covered under Section one, **Insurers** will pay the full cost of repair as long as:
 - the **buildings** were in a good state of repair immediately prior to the loss or damage and
 - the sum insured is enough to pay for full cost of rebuilding the **buildings** in their present form and
 - the damage has been repaired or loss has been reinstated.

If the **buildings** were not in a good state of repair, **Insurers** will deduct an amount from **your** claim.

2. **Insurers** will not pay the cost of replacing or repairing any undamaged parts of the **buildings** which form part of a pair, set, suite or part of a common design or function when the loss or damage is restricted to a clearly identifiable area or to a specific part.

Your sum insured

3. **Insurers** will not reduce the sum insured under section one after **we** have paid a claim as long as **you** agree to carry out **Insurers** recommendations to prevent further loss or damage.
4. If **you** are under insured, which means the cost of rebuilding the **buildings** at the time of loss or damage is more than **your** sum insured for the **buildings**, then **Insurers** will only pay a proportion of the claim. For example, if **your** sum insured only covers one half of the cost of rebuilding the **buildings**, **Insurers** will only pay one half of the cost of repair or replacement.

Limit of Insurance

Insurers will not pay more than the sum insured for each **premises** shown in the **schedule**. The maximum sum insured under Section one is limited to £800,000 any one property at one risk address.

The maximum amount recoverable in respect of losses arising from any one loss (all sections) shall be limited to £3,000,000 any one risk address.
