If **you** have any questions concerning **our** use of **your** personal data, please contact The Data Protection Officer, AmTrust International – please see website for full address details.

D) Subjectivity Clause

At the inception of or during each **period of insurance**, the insurance provided by this policy wording and **schedule** is subject to **you**:

- a) i. providing **us** with any additional information
- ii. completing any actions agreed between **you** and **us**
- iii. allowing **us** to complete any actions agreed between **you** and **us**.
- b) If required by **us**, allowing **us** access to the **premises** and/or the business to carry out survey(s) and **your** compliance with any risk improvements identified.

If this is the case, then the **schedule** will clearly state the information required and/or the actions to be completed and the dates **we** require such information or the actions to be completed by.

Upon completion of these requirements (or if they are not completed by the required dates) **we** may, at **our** option:

- i. modify **your** premium
- ii. amend the terms and conditions of this policy
- iii. require **you** to make alterations to the **premises** and/or to comply with any risk improvements identified

- v. leave the policy terms, conditions and premium unaltered.

If **we** proceed with any of the options i. ii. and iii. above, **you** have the right to cancel this policy from a date agreed by **you** and **us** and, providing no claims have been made, **we** will refund a proportionate part of the premium paid for the unexpired period of cover.

E) Non Invalidation Condition

This insurance by this section shall not be invalidated by any act, omission or alteration whereby the risk of damage is increased, unknown to **you** or beyond **your** control, which increases the risk of loss or damage to the **home**, provided that **you** were unaware of such action. **You** must tell **your broker** as soon as **you** become aware of any action that has been taken to increase the risk of loss or damage and **you** may also have to pay an extra premium. However, this clause does not override any specific exclusions or clauses.

F) Several Liability Clause

The liability of an insurer under this contract is several and not joint with other insurers party to this contract. An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract. The business address of each member is Lloyd's, One Lime Street, London EC3M 7HA. The identity of each member of a Lloyd's syndicate and their respective proportion may be obtained by writing to Market Services, Lloyd's, at the above address.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

 - Where **you** are required in accordance with the terms of this policy to co-operate with **us**, or send **us** information or documentation and **you** fail to do so in a way that materially affects **our** ability to process a claim, or **our** ability to defend **our** interests. In this case **we** may issue a cancellation letter and will cancel **your** policy if **you** fail to co-operate with **us** or provide the required information or documentation by the end of the cancellation notice period;

 - Due to the use of threatening or abusive behaviour or language, or intimidation or bullying of staff or suppliers.
